“Service & Support is at the heart of what we do. As a true subscription based solutions vendor, we know the importance of keeping our Customers Happy”

ABDM

- ABHA new consent
- ABHA verification
- Consent List
- Received consent list
- ABHA shared profiles

MocDoc Laboratory Management Software is now ABDM compliant, and serves right from ABHA creation!

Now the labs can create or link the ABHA users, verify their accounts, store digital health records or lab reports of the patients, and share them with the requesting healthcare providers, with patient consent!

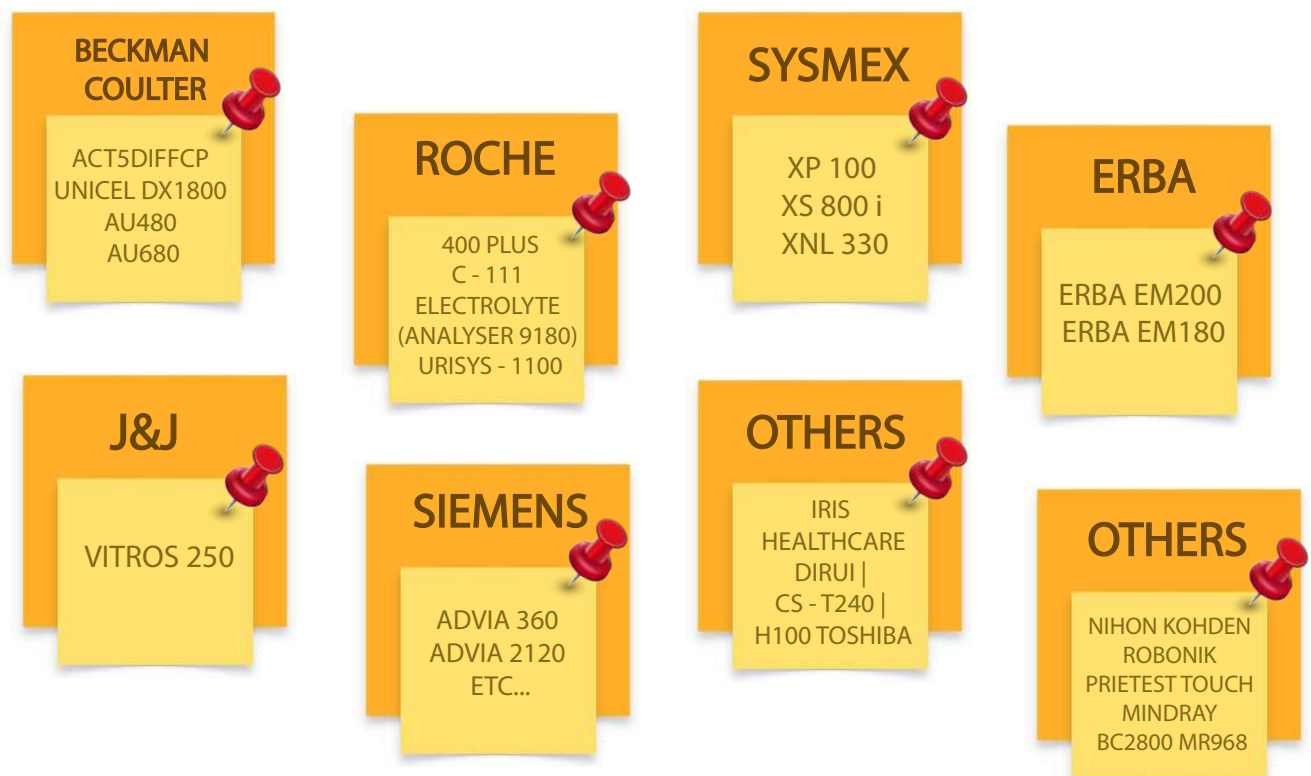

SECURITY

- Trusted IP master
- Auto session logout
- Google Captcha Authentication

MARKETING

-  Referral Management
-  Franchise Management
-  Rate Plan Management
-  Camp Management
-  Mini Website
-  Incentive Management

MACHINE INTERFACING

The infographic displays machine interfacing capabilities for various brands, organized into eight categories, each represented by a yellow sticky note pinned to an orange background:

- BECKMAN COULTER**
 - ACT5DIFFCP
 - UNICEL DX1800
 - AU480
